Dear Dr. Wu,

Thank you so much.

Currently I am on a trip to Saudi Arabia with very limited access to internet.

I will be back home on December 7th.

Please let me know if I can help in any other way.

Sincerely,

Talha Tayyab

Dear Dr.Wu,

My personal preference would be not to spend my efforts on presenting the paper since they have mentioned that *"If you decide NOT to present your paper, let us know (your paper would still be published and indexed like all others)." .* And I would like to focus on the coding part.

Kindly advise with your suggestions.

Regards,
